**II. – RESEARCH THEME**

*Please indicate briefly (10 lines max) your themes of research, and 4 or 5 key words*

My work pertains to appropriation of technologies. I am interested in how the structure of the technology supported the cooperation between users. The point is to analyze the social and cultural aspects of technologies and to understand their consequences for its technical design.

Analysis of interaction, Dialogism, Appropriation, Cooperation

### **III. – VIDEOS AND EXPERIMENTAL MATERIAL**

*Moments of relaxation might be the occasion to share and show original scientific video documents (not too long) or experimental material (which could be used by all the participants). A video party and an experimental demonstration session have been planned. Could you indicate video or experimental material you would like to present.*
